Rule 45: Stopovers

(A) General

Stopovers will be permitted under the following conditions:

1. Stopovers must be arranged with the Carrier in advance and specified on the Ticket.
2. Specific Fare rules may not permit stopovers or limit the number of stopovers allowed or there may be an additional charge for stopovers based on the Fare purchased by the Passenger. Refer to the rule applicable to the Fare in question for further information.
3. If a portion of a journey is travelled by surface transportation, a stopover will be deemed to have taken place for such transportation.
4. A deliberate interruption of a journey for more than 4 hours will constitute a stopover.

Rule 54: Interline Baggage Acceptance

1. Applicability

This rule is applicable to all interline itineraries issued on a single Ticket whose Origin or ultimate Ticketed Destination is in Canada.

This establishes how the Carrier will determine which Baggage rules apply to any Passenger's entire interline itinerary.

For the purposes of Interline Agreement Baggage acceptance:

- i. the carrier whose designator code is identified on the first segment of the passenger's interline Ticket will be known as the selecting carrier.
- ii. any carrier who is identified as providing interline transportation to the passenger by virtue of the passenger's Ticket will be known as a participating carrier.

2. Baggage Rule Determination by Selecting Carrier:

Checked Baggage

The Carrier will apply the Most Significant Carrier rules, as determined by IATA Resolution 302 as conditioned by the CTA, in order for that Carrier's Baggage rules, as established in its Tariff, to apply to the entire interline itinerary.

The carrier identified will be known as the selected carrier.

Carry-On Baggage

Each operating carrier's Unchecked Baggage Rules will apply to each Flight segment in an interline itinerary. Notwithstanding, the Unchecked Baggage charges that will apply to the entire interline itinerary will be those of the Selected Carrier.

1. Passenger's special status

The Baggage rules determined by the Selected Carrier at the beginning of a Passenger's itinerary will determine what entitlements the Passenger is eligible for.

2. Stopovers

The Baggage rules determined by the Selected Carrier at the beginning of a Passenger's itinerary will determine whether a Passenger's Baggage allowance and charges may be applied at each Checked point or whether it is the Carrier's policy to apply the charges only one time in each direction.

3. Embargoes

Embargoes applicable to any Operating Carrier participating in an interline itinerary will be taken into account when determining the Baggage Rules and charges that apply to the Passenger's travel.

(C) Baggage Rule Application by Participating Carrier

Where the Carrier is not the Selected Carrier on an Interline Itinerary but is a Participating Carrier that is providing transportation to the Passenger based on the Ticket issued, the Carrier will apply as its own the Baggage Rules of the Selected Carrier throughout the interline itinerary.

(D) Disclosure of Baggage Rules

Summary Page at the end of an Online Purchase and E-Ticket Disclosure

- a. Upon purchase of a Flight, the Passenger shall receive an E-Ticket from the Carrier which will set out provisions related to further rules and regulations, including those rules related to first and second Checked Baggage and Unchecked Baggage.  - h. the application of Baggage Rules and charges (i.e., whether they are applied once per direction or if they are applicable at each stopover point).

Rule 55: Baggage Acceptance

All Unchecked Baggage should have a tag with the Passenger's name, address and telephone number.

2. Sporting equipment

The Carrier shall collect a \$50 handling fee for Checked sporting equipment. In all cases, the Baggage must contain the equipment noted. The following items are exempt from the:

Oversize baggage fees: fishing rods, football equipment, golf clubs, hockey equipment, lacrosse equipment, ringette equipment, skis and snowboards.

Overweight baggage fees: football equipment, hockey equipment, lacrosse equipment and ringette equipment.

Firearms of any description shall be carried only with prior consent of the Carrier.

It is the Passenger's responsibility to ensure they have proper permits and documentation for transport to their Destination. Notwithstanding exemptions related to officers of the law, the firearms are required to be disassembled and packed in a suitable case.

3. Unchecked Baggage (Carry-on Baggage)

- a. Unchecked Baggage must be within the Carrier's size and weight limits to be taken onboard the aircraft
- b. Each Passenger may have one (1) piece of Unchecked Baggage (carry on item) and one (1) personal item.
- c. In all cases, the items may not exceed the applicable measurements outlined below:
- d. Unchecked Baggage: Maximum size of 53 cm x 23 cm x 38 cm (21 in. x 9 in. x 15 in.)
- e. Personal item: Maximum size of 41 cm x 15 cm x 33 cm (16 in. x 6 in. x 13 in.)
- f. Kennel: Maximum size of 41 cm x 21.5 cm x 25 cm (16 in. x 8.5 in. x 10 in.)
- g. In the interest of Passenger safety within the cabin, the Carrier, in its sole discretion, may check any Unchecked (Unchecked) Baggage for any or no reason.
- h. All Unchecked Baggage must be stored in an overhead bin or placed completely under the seat directly in front of the Passenger.
- i. Passengers should contact the Carrier or review its Web site for more information about which objects are not suitable for carriage as Checked Baggage and will only be accepted for transportation in the Passenger cabin of the aircraft upon prior agreement with the Carrier.

4. Transportation of Special Items

Some restrictions apply for the transport of Baggage on an itinerary e.g.: oversized or overweight Baggage, such as, surfboards or animals, bicycles, etc. In these cases, any Participating Carrier in a Passenger's interline itinerary may apply these restrictions to the Passenger's travel based on that carrier's Tariffs.

5. Musical Instruments

Provided it is safe to do so, the Carrier may accept properly packaged musical instruments as either checked or carry-on baggage, depending on the instrument's weight or dimension.

Carry-On:

Seats cannot be purchased for musical instruments; however small musical instruments may be permitted as a Passenger's carry-on baggage allowance provided that:

- a. it meets the Carrier's current carry-on size requirements outlined in subsection 3 above; and
- b. it fits under the seat in front or the overhead bin.

Due to cabin storage space limitations, the Carrier cannot guarantee that a musical instrument can be accommodated on board. Storage is provided on a "first come, first serve" basis.

If there is no space available in the cabin to securely store the musical instrument, or if deemed required by airline staff, the musical instrument may need to be checked at the gate and transported as checked baggage.

Musical instrument counts as 1 piece of carry-on luggage.

Checked Baggage:

If musical instruments are checked in separately, the instrument counts as one piece of Baggage towards the maximum number of checked bags allowed by fare type. If a Passenger's Baggage count (musical instrument plus number of other bags to be checked) exceeds the maximum number of items allowed by fare type, additional checked baggage charges will apply. If the musical instrument weighs more than 23 kg (50 lb), overweight baggage charges will apply. The maximum weight of musical

instruments the Carrier can carry is 32 kg (70 lb). A musical instrument cannot exceed a combined length + width + height dimension of 157 cm (62"). Musical instruments must always be packaged in a rigid/hard shell container designed to ship such items. For string instruments, Passengers are responsible for ensuring that the strings are loosened so that tension is reduced on the top and neck of the instrument.

In the event of aircraft substitution preventing the transportation of a musical instrument in the cabin, the Carrier will use reasonable efforts to (i) gate-check the instrument, or (ii) check the instrument on the next available flight.

(D) Collection and Delivery of Baggage

1. Only the Passenger who was given a Baggage identification tag when the Carrier took possession of the Baggage is entitled to accept delivery of the Baggage.
2. If the Passenger claiming the Checked Baggage is unable to produce his/her portion of the Baggage identification tag and identify the Baggage by means of its Baggage identification tag, the Carrier must receive satisfactory proof that the Baggage belongs to the Passenger in question before delivering the Baggage to the Passenger.
3. Acceptance of the Baggage without complaint, within the time limits stipulated, by the Passenger in possession of the Baggage identification tag is evidence that the Carrier delivered the Baggage in good condition and in accordance with this Tariff.

(E) Excess Valuation Declaration

The Passenger may declare a value in excess of the applicable liability limits for the Checked Baggage and pay the excess valuation fee to the Carrier before departure at the point of check-in.

These unacceptable items are specified in the International Civil Aviation Organization (ICAO) Technical Instructions for the Safe Transport of Dangerous Goods by Air and the International Air Transport Association (IATA) Dangerous Goods Regulations.
3. Items, which in the Carrier's opinion, are unsuitable for carriage because of their weight, size or character, for example, fragile or perishable items.
4. Live animals except as provided in Rule 75, Acceptance of Animals (Service Dogs and Pets).
5. Firearms and ammunition other than for hunting or sporting purposes are prohibited from carriage as Baggage. Firearms and ammunition for hunting and sporting purposes will be accepted as Checked Baggage provided the firearms are not loaded, the safety catch is in the "on" position and the firearms are suitably. The carriage of ammunition is subject to the ICAO and IATA regulations mentioned in 2 above.
6. The Passenger shall not include in the Checked Baggage fragile or perishable items, money, jewelry, precious metals, silverware, negotiable papers, securities or other valuables, business documents, samples, passports and other identification documents.
7. Any other items deemed by the Carrier to be unacceptable from time to time.

where the aircraft shall be flown from, to or over, or if the goods are inadequately or improperly packed.

Note: This provision does not apply to aids for persons with a Disability.

(H) Right of Search

The Carrier may request the Passenger to permit a search to be conducted of his/her person and Baggage. The Carrier may search Baggage in the Passenger's absence.

If the Passenger refuses to comply with the request for search, the Carrier may refuse to carry the Passenger and/or his/her Baggage.

- i. In the case of Unchecked Baggage, the Carrier is liable only to the extent the damage resulted from its fault, or that of its servants or agents.
- j. The Carrier is liable for the damage sustained in case of destruction or loss of, or damage to, Checked Baggage upon condition only that the event which caused the destruction, loss or damage took place on board the aircraft or during any period within which the Checked Baggage was in the charge of the Carrier. However, the Carrier is not liable if and to the extent that the damage resulted from the inherent defect, quality or vice of the Baggage.
- k. If the Passenger's Baggage is located at some point after 21 days, the Carrier will make one attempt to contact the Passenger using the contact information provided by the Passenger. If the Passenger has been provided with a settlement by the Carrier for the loss or partial loss of the Baggage, the Passenger shall be responsible for the collection or delivery of the Baggage at their own expense. If the Passenger has not yet been provided a settlement for the loss or partial loss of the Baggage, the Carrier will take steps to deliver the Baggage to the Passenger's residence/hotel as soon as possible. If the Carrier is unable to contact the Passenger, the Baggage and all contents will be donated to a charitable organization at the Carrier's discretion. The Carrier does not receive any compensation or benefit from these donations.

Mobility aids

Note: Notwithstanding the normal Carrier liability as contained in this rule, the limit of liability will be waived for claims involving the loss of, damage to, or delay in delivery of mobility aids, when such items have been accepted as Checked Baggage or otherwise. If a mobility aid is lost or damaged, compensation is to be based on the cost of the repair or replacement value of the mobility aid.

If a mobility aid is lost or damaged:

- a. The Carrier will immediately provide a suitable temporary replacement without charge;
- b. If a damaged aid can be repaired, in addition to (a) above, the air Carrier will arrange, at its expense, for the prompt and adequate repair of the aid and return it to the Passenger as soon as possible;
- c. If a damaged aid cannot be repaired or is lost and cannot be located, the Carrier will in addition to (a) above, replace it with an identical aid satisfactory to the Passenger, or reimburse the Passenger for the replacement cost of the aid.

Service animals

Should injury or death of a Service Animal result from the fault or negligence of the Carrier, the Carrier will undertake to provide, expeditiously and at its own expense, medical care for or replacement of the service animal.

(C) Limitations of Liability

1. The Carrier is not liable for destruction, loss, damage or delay of Unchecked Baggage arising out of or in connection with carriage or other supplementary services to carriage performed by the Carrier, unless such damage is caused by the negligence of the Carrier. Assistance offered to the Passenger by the Carrier's employees in loading, unloading or transferring Unchecked Baggage shall be considered as complimentary service to the Passenger. The Carrier is not liable for damage to such Unchecked Baggage incurred during, or, as a result of this service, unless such damage is caused by the negligence of the Carrier's employees.
2. The Carrier is not liable for any damages directly and solely arising out of its compliance with any laws, government regulations, orders, or requirements or from the failure of the Passenger to comply with same or out of any cause beyond the Carrier's control.

3. The Carrier is liable for damage sustained in case of destruction or loss of, or of damage to, Checked Baggage upon condition only that the event which caused the destruction, loss or damage took place on board the aircraft or during any period within which the Checked Baggage was in the charge of the Carrier. However, the Carrier is not liable if and to the extent that the damage resulted from the inherent defect, quality or vice of the Baggage.
4. The Carrier is not liable for damage to the Passenger's Baggage caused by contents of the Passenger's Baggage. Any Passenger whose property causes damage to another Passenger's Baggage or to the property of the Carrier will compensate the Carrier for all losses and expenses it incurs as a result.
5. When the Carrier has exercised reasonable care and attention to the handling and treatment of perishable items or fragile articles, it shall not be liable for spoilage resulting from the delay in delivery of any perishable items described in Rule 55, Baggage Acceptance, nor for the damage to, or damage caused by, fragile articles described in Rule 55, Baggage Acceptance, which are unsuitably packed.
6. The Carrier may refuse to accept any articles that do not constitute Baggage as this term is defined in Rule 55(A), but if these articles are delivered to and accepted by the Carrier they will be considered to be within the value of the Baggage and the Carrier's limit of liability.
7. Liability of the Carrier for damage will be limited to events on its own line, except in the case of Checked Baggage, with respect to successive carriage, in which case, the Passenger also has a right of action against the first or last Carrier involved in the transportation.
8. Any exclusion or limitation of liability of the Carrier under this Tariff or under the Passenger's Ticket will apply to agents, servants or representatives of the Carrier who were performing services in furtherance of the contract of carriage and also to any person whose aircraft is used by the Carrier and its agents, servants or representatives who are performing services in furtherance of the contract of carriage.

Unless stated to the contrary herein, and to the extent permitted by law, the Carrier's Passenger Liability in respect of the provision of any Flight, howsoever caused, including negligence of the Carrier, shall not exceed the limits set out herein. In respect

of an Event of Force Majeure, the Carrier shall have no liability to a Passenger or other person affected thereby, other than as prescribed in this Tariff.

The Carrier shall not be liable for the destruction, loss, damage, or delay in delivery of any property which is not acceptable for transportation or for any other loss or damage of whatever nature resulting from any such loss or damage or from the transportation of such property including damage or delay to perishable items or loss or delay of unsuitably or inadequately packed items, to the extent that the destruction, loss or damage resulted from the inherent defect, quality or vice of the Baggage.

(D) Time Limitations on Claims and Actions

1. No action will be taken against the Carrier in case of loss or delay in the delivery of Checked and Unchecked Baggage unless the Passenger complains in writing to the Carrier within:

- a. 21 days from the date on which the Baggage has been placed at the Passenger's disposal (in the case of delay); or,
- b. 21 days from the date on which the Baggage should have been placed at the Passenger's disposal (in the case of loss).

2. In the case of damage to Checked Baggage, the Passenger must complain to the Carrier immediately after discovery of damage, and at the latest, within 7 days from receipt of the Baggage.

3. In the case of goods, no claim may be maintained as aforesaid, unless the Passenger notifies the Carrier within 24 hours of the claim arising, and presents evidence of the contents and declared value of the goods in writing to the Carrier at its head office within thirty (30) days after the occurrence of such event giving rise to the Carrier's Passenger Liability in respect of such goods.

4. Any claim against a Carrier will be extinguished unless an action is brought within two years reckoned from the date of arrival at the Destination, or from the date on which the aircraft ought to have arrived, or from the date on which the carriage stopped.

(E) Overriding Law

If any provision contained or referred to in the Ticket or this Tariff is found to be contrary to an applicable law, government regulation, order or requirement, which cannot be waived by agreement of the parties, such provision, to the extent that it is invalid, shall be severed from the Ticket or Tariff and the remaining provisions shall continue to be of full force and effect.

(F) Modification and Waiver

No agent, servant or representative of the Carrier has the authority to alter, modify, or waive any provisions of this Tariff.

(G) Gratuitous Transportation

All Passengers who are transported gratuitously by the Carrier will be governed by all the provisions of this rule and by all other applicable rules of this Tariff.

Rule 125: Refunds

(A) General

1. The Passenger must present to the Carrier or its authorized agent the unused Flight coupons of a Ticket, an Itinerary/Receipt, a record locator, or a Reservation number as satisfactory proof that the Passenger has unused portions of a Ticket which are eligible for refund.
2. The Carrier will make a refund to the person who purchased the Ticket.
3. Acceptance of a refund by the Passenger will release the Carrier from further liability.
4. In any instance where refunds are appropriate, the Carrier will process requests in a timely manner and refund the Fare in the Original form of payment or a Travel Bank Credit.

(B) Involuntary Refunds

1. Involuntary refunds are not subject to any restrictions contained in the applicable Fare rule.
2. For the purposes of this paragraph, an Involuntary Refund is a refund owed as a result of a delay, cancellation, or denied boarding pursuant to Rule 90 or a downgrade pursuant to Rule 90, or that is made due to any reason in the event the Passenger is prevented from using all or a portion of their ticket pursuant to the APPR, including a substitution to a lower class of service by the Carrier (i.e. a downgrade), a missed connection due to a Schedule Irregularity, or a Refusal to Transport pursuant to Rule 105.

Exception: No Involuntary Refund is owed if Rule 105 – Refusal to Transport applies and the Passenger was refused transport for failing to comply with any government regulation or engaging in prohibited conduct within the meaning of Rule 105(B).

3. The amount of the involuntary refund will be as follows:
 - a. If, no portion of a Ticket has been used, the amount of refund will be equal to the Fare and charges paid; or
 - b. If, a portion of the Ticket has been used, the amount refunded to the purchaser will be the difference between the Fare paid and the Fare for transportation actually used or to be used.
 - c. Refunds owed as a result of an obligation under the APPR will be provided by the Carrier 30 days after the passenger requests the refund.

(C) Voluntary Refunds

1. Voluntary refunds will be based on the applicable Fare at the time of Ticket issuance, and the refund will be made in accordance with any restrictions contained in the applicable Fare rule.
2. Voluntary refunds will be made only by the Carrier which Originally issued the Ticket or its authorized agent.
3. If no portion of a Ticket has been used, the refund will be full amount of the Fare paid less any cancellation fee and/or service charge.
4. If a portion of the Ticket has been used, the refund will be an amount equal to the difference between the Fare paid and the applicable Fare for travel between the points for which the Ticket has been used, less any cancellation fee and/or service charge.
5. If a portion of the Ticket has been used or no portion of Ticket has been used on a Basic Econo (Lowest) fare, the difference in Fare and refund will not be made.
6. Voluntary refund of Tickets shall be made in the currency used to issue the Ticket and in the country where the Ticket was purchased, whenever possible. However, Canadian dollar refunds or refunds in the currency of the country where the voluntary refund is requested may be made at the request of the Passenger provided a refund in such currency is not prohibited by local government foreign exchange control regulations.

7. Non-refundable Tickets can be exchanged for a future Ticket for up to one year from the Ticket issue date as long as the Reservation is cancelled on or before the first travel date on the Ticket with the exception of a Basic Econo (Lowest) ticket purchase, which is non-refundable.

Who is WestJet?

For the purposes of this Privacy Statement, “**WestJet**”, “**we**” or “**us**” means WestJet, an Alberta partnership, WestJet Group Inc. and their respective controlled affiliates and subsidiaries¹ (other than Sunwing) that are responsible for ensuring that we comply with relevant data protection laws when processing your personal information. This Privacy Statement applies to personal information collected, used and disclosed by WestJet. The Sunwing privacy statement is available on sunwing.ca.

This is our main general Privacy Statement that applies across our business. We have a separate privacy policy that sets out how we process the personal information of employees, which prospective, current and former employees should refer to.

What is personal information?

Personal information is information about an identifiable person, including information that reasonably can be used to identify a person, directly or indirectly, or would enable contact with a person. Personal information can be identification information (name, date of birth, passport number), contact information (telephone number, email address and social media handle), travel information (reservation number, travel destination), and general information relating to your interactions with WestJet (transaction information and information about how you use WestJet's website collected through "Cookies," which is data that is sent to your browser from a website's computer, and stored on your computer's hard drive or mobile device). Personal information does not include anonymous information or information that relates to a group of people rather than individuals where the information does not otherwise contain identifying information. The most important types of personal information for you to know about are outlined below.

Special categories of personal information

This is information about your health, financial information, racial or ethnic origin, political opinions, religious or philosophical beliefs and trade union membership, your genetic data and biometric data, and information concerning your sex life or sexual orientation. These categories of personal information often have additional protection under data protection laws around the world, and local data protection laws may limit the way in which we can use this information when compared to, for example, your name and address.

Criminal convictions information

This is information relating to your criminal convictions and offences. Local data protection laws may restrict the way in which we can use this information when compared to, for example, your reservation number and travel destination.

What about consent?

WestJet collects, uses and discloses personal information with your knowledge and consent (unless otherwise required or allowed by law). We limit the collection, use and disclosure of your personal information to the purposes we have identified in this Privacy Statement. If we identify a new purpose for your personal information, we will update this Privacy Statement and/or contact you to obtain your consent for the new purpose (unless otherwise allowed or required by law).

Where we process your personal information on the basis of your consent, you can withdraw your consent to our collection, use or disclosure of your information at any time. Once we receive notification that you have withdrawn your consent, we will no longer process your personal information for the purpose(s) to which you originally consented (unless there is another legal ground for the processing). Please note that where we rely on your consent to process your personal information and you choose to withdraw your consent, we will advise you of any consequences of the withdrawal of your consent as sometimes, withdrawing consent means we can no longer provide a product or service to you.

What personal information does WestJet collect and how?

Generally, we collect your personal information directly from you (either over the phone, through our mobile applications or other digital platforms), where necessary to provide you with the products and services we offer. For example, if you would like to fly with us

We may also collect personal information from a third party service provider or someone acting on your behalf. Unless and until we are advised otherwise, we will consider a third party booking on your behalf to have your authority to provide us with your personal information in the same manner as if you were providing that information yourself. In the case of personal information of minors or those incapable of providing consent, those consenting on their behalf must be parents, legal guardians or legal representatives, as appropriate. Parents, legal guardians or legal representatives will exercise privacy and data protection rights on behalf of such individuals. See “Services booked for you by someone else” below for further information.

If a third party like a travel agent, family member or employer makes a booking or request on your behalf, WestJet uses your personal information as provided by them to manage those booking or requests. The way in which that third party collects, uses and discloses your personal information is subject to your dealings with them and their privacy policies and practices, not those of WestJet. How does WestJet protect my personal information?

Security

WestJet has sophisticated security measures and procedures in place to help ensure that your personal information is protected from misuse and from unauthorized access, use or disclosure. However, no data transmission over the internet can be guaranteed to be 100% secure. We cannot ensure the security of the information you transmit to us over the internet.

Data governance policies and practices

WestJet is committed to protecting your personal information and has implemented a comprehensive set of policies and practices to do so. These measures take into account the volume, sensitivity, intended use, and format of the information, and generally include the following:

- We have established a comprehensive privacy framework that defines the roles and responsibilities of our employees throughout the data lifecycle. This framework includes policies governing the collection of data, data retention and secure disposal of data. In addition, our policy framework includes a process for handling privacy complaints in a timely and effective manner. Through these and additional measures, we work to promote a culture of privacy awareness within our organization.
- Internal policies and technical measures to limit access to your personal information within our organization to employees who need access to that information to perform their job functions. - A dedicated Privacy Officer responsible for monitoring our compliance with applicable privacy laws and regulations and responding to privacy inquiries and complaints.

Retention of information

Personal information collected by WestJet is retained for as long as it is reasonably required for the purposes for which it was collected, or as permitted or required by law, following which it is securely destroyed or made anonymous.

Profiling and automated decision making

We use profiling (where an electronic system uses personal information to try and predict something about you) to provide you with customized experiences and serve you customized advertising.

Apart from the use of technologies such as cookies to serve you customized advertising as described above under the heading “Cookies and other technology”, we do not use profiling or automated decision making (i.e., where an electronic system uses personal information to decide about you without human intervention).

Cross border transfers of your personal information

We operate and provide products and services to guests located in many different countries around the world.
