

**HOTELS OFFERING PRE-DEPARTURE COVID-19 TESTING OPTIONS**

Effective January 7, 2021, all air passengers five years of age or older will be required to test negative for COVID-19 before travelling from another country to Canada. Before boarding a flight, travelers will need to present a negative molecular COVID-19 test result (PCR or RT-LAMP test), taken within 72 hours before the scheduled flight departure time.

It is the responsibility of each traveler to ensure they have all the valid travel documents required for entry into Canada. Below are WestJet Vacations partner hotels, who provide assistance with pre-departure COVID-19 testing options. Some hotels currently offer onsite testing options, while others partner with local offsite testing labs to refer guests.

Neither WestJet or WestJet Vacations are affiliated with the below testing facilities, and cannot guarantee quality, availability, pricing, or on-time delivery of COVID-19 tests.
